

Hose Lift

“the 4th element”

The CPAP Hose Lift by Arden Innovations

Suspends your CPAP Tubing Overhead,
Rotates with sleep movement, and thus,
Eliminates the Hose Hassle inherent with
All CPAP systems.

See ardeninnovations.com for details.

Testimonial

"I purchased the Hose Lift as it was the cheapest. After using this for a few days I find that my choice was indeed the right one. It can be used on a regular basis at home (not just travel). Plus it works with a 6 foot hose."
