

The CPAP Hose Lift by Arden Innovations Ranked #1 Overall Best in a Consumer Review of CPAP Hose Management Devices

Tracy Nasca - October 31, 2011

A summer 2011 survey of the five existing CPAP Hose Management Devices was conducted by Talk About Sleep. CPAP users were asked to trial and rank a set of performance and other criteria questions, to determine the overall best CPAP Hose management device. The *CPAP Hose Lift* by Arden Innovations was determined to be the overall best.

Survey Questions were:

- Ease of Assembly
- Effectiveness at achieving added CPAP Comfort
- Mask Hook Usefulness
- Durability
- Ease of Travel
- Guarantee
- Accessories
- Cost to Benefits Rating

The Hose Management Devices Tested were:

- The CPAP Hose Lift by Arden Innovations
- Cozy Hoze Boss by Pur-Sleep
- Hose Buddy & Travel Hose Buddy both by Bro-Gho
- Hozer by Levitation Systems.

Each Question rated on a scale of 1, 2, 3, 4, or 5 as best.
